

## **LIST OF FIGURES**

<b>Figures</b>	<b>Page</b>
2.1 Relationship between Antecedents and Behavior of Human	14
2.2 Relationship between Stimulus and Consequence of Human	15
2.3 Relationship of Antecedents to Juvenile Violent Crimes	29
2.4 Structural Model Relationship between all Variable that have Influenced to Juvenile Violent Crimes (SEM)	35
3.1 Path Diagram between Manifest Variables and Exogenous Latent Variables	60
3.2 Path Diagram between Manifest Variables and Endogenous Latent Variables	65
4.1 Path Diagram between Exogenous Latent Variables and Endogenous Latent Variables Used for Study in Structural Equation	72
4.2 Path Relations Model of Exogenous Latent Variables and Endogenous Latent Variables used for Study in Reduce Form Equation	76
